14 from the Public were present

- *A DRAFT of the Proposed Local Law No. 1 of 2017 “Dog Licensure Law”*
- *A DRAFT of the Proposed Local Law No. 2 of 2017 “Dog Control Law”*

MEETING OPEN TO PUBLIC COMMENT:

L. Eckhardt: explains why the board is updating the current laws, the dog control law was last updated in 1993 and the dog licensure law was last updated in 2010, we had several discussions, this is our 3rd go around with this 2nd public hearing and third workshop, open up to the public.

E. Hartwell: question regarding the fencing in the dog control law, does the fence need to be solid and is there a height requirement?

B. Jennings: doesn't have a specific requirement.

L. Eckhardt: as long as it does what it needs to do, keep the dogs in and noise down.

B. Hartwell: question regarding the term “excessive barking” what is considered excessive barking? Has a kennel and the dogs sometimes bark when they hear or smell something, has done everything possible to keep the noise down but still running into issues with one neighbor.

B. Jennings: that's when the dog control officer will investigate and determine whether or not it's excessive barking and figure out what needs to be done to prevent the barking.

G. Robinson: it's not if it happens once or twice, the dog control officer needs to determine if it is an on going issue and if more people are complaining about the barking.

L. Eckhardt: we aren't going to vote on this tonight our tradition is to save all the voting until we have our regular board meeting giving time for additional comments if there are any. Next month we go into budget season. Asks if there are any further comments, moves to close.

MOTION TO ADJOURN AT 7:15 PM
